

Santachiara

DESIGN BY
SERGIO PRANDINA
2016

^{IT} Si narra di un lungo viaggio alla ricerca di semplicità di forme, di materiali puri, di delicatezza e di valori. In queste pagine si racconta di un percorso che ha condotto Santachiara, una collezione in vetro soffiato, ad essere disponibile in tre dimensioni come sospensione e in due dimensioni come lampada da tavolo, dove una base in legno e un sensore touch-dim ne supportano la forma. Collezione

che si concentra sull'eleganza di un disegno che contempla in sé la bellezza di parole sussurrate.

^{EN} The Santachiara collection tells the story of a long journey in search of simple shapes, pure and delicate materials and values. These pages talk about the journey that led Santachiara, a blown glass collection, to be available in three different sizes as a suspended lamp and two sizes as a table lamp, where a wooden base and a touch-dimmer sensor support the form. A collection that focuses on the elegance of a design that contemplates the beauty of whispered words.
